BEHIND THE SCENES

Letoza has brought a revolution in the flooring and tiles industry. With its revolutionary and ground-breaking innovation in tile making, we are shaping the future of homes with new technological advancements.

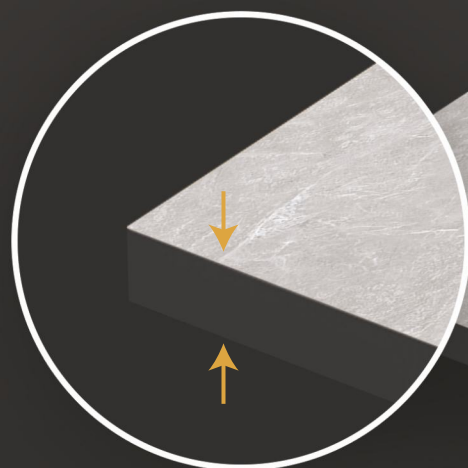

With an annual capacity of 5.4 million sq. Meters, letoza is a complete solution provider in terms of glazed vitrified tiles with the widest product selection categories in polished, matt, super gloss, dark, rocker effect, carving effect, and décor.

Letoza's manufacturing units are equipped with cutting-edge modern technology.

Intense automation, robotic application, and a zero chance for human error are a few reasons for leopard to be the world-class quality producer in the industry.
